

A member discount for your chapter

ASSP chapters and student sections can give members 28% off any PassCited pass with their own code. PassCited is an online practice bank for the ASP, CSP and CHST, and every answer quotes the regulation or standard it tests. Free for your chapter, nothing to run.

Step 1

Ask for a code

Fill in the short form at passcited.com/partners. It takes about two minutes.

Step 2

We set it up

We reply by email with your group's code and link, for example passcited.com/p/assp-yourchapter.

Step 3

Share it

Use the ready-made newsletter blurb and social post on passcited.com/partners. Members get the discount at checkout.

The code

- 28% off any 180-day PassCited pass (ASP, CSP or CHST) or the all-three bundle
- Up to 100 uses, valid for 12 months
- Applied automatically from your group's link, or typed at checkout
- Free for your group, with nothing to run or report

Member prices with the code

ASP pass (list \$80)	\$57.60
CHST pass (list \$80)	\$57.60
CSP pass (list \$80)	\$57.60
All three exams (list \$143)	\$102.96

One payment, no renewal. 7-day money-back guarantee.

Free for everyone, no code

- 25-question diagnostic: passcited.com/diagnostic
- Question of the day widget: passcited.com/embed
- Formulas, worked examples: passcited.com/formulas
- Safety glossary: passcited.com/glossary
- Eligibility and study plan tools: passcited.com/tools

Request your chapter's code

Fill in the two-minute form at passcited.com/partners, or email hello@passcited.com.

Student sections, university programs and employers are welcome to ask too.

ASP, CSP and CHST are registered marks of the Board of Certified Safety Professionals (BCSP). ASSP is a mark of the American Society of Safety Professionals. PassCited is not affiliated with, endorsed by or sponsored by BCSP or ASSP. A chapter code is a benefit the chapter chooses to share, not an endorsement.
